Notes:

- This map is based on the VicMap Digital Crown land parcel layer. Data for Government freehold land was supplied by public authorities. Data for the metropolitan trail network was supplied by Parks Victoria. Urban growth boundary data was supplied by the Department of Planning and Community Development.
- The public open space categories shown on this map are described in chapter 6 of the discussion paper.
- Larger areas of public land contiguous with the investigation area are shown for context.
- Areas of Crown land coastal water reserve are included in the investigation area where municipal boundaries extend beyond the low water mark.
- The investigation area and municipal boundaries bordering Port Phillip Bay and Western Port are not shown as they would obscure coastal reserves.
- The finer detail on this map can be viewed at [www.veac.vic.gov.au](http://www.veac.vic.gov.au).
