

VEGETATION

EAST GIPPSLAND STUDY AREA

LAND CONSERVATION COUNCIL

VICTORIA

SHEET 1

VEGETATION UNITS

Map Symbol	Structural forms	Major species of tallest stratum	Associated tree species	Common species of lower strata
1a	CLOSED FOREST II (not mapped)	sassafras, blackwood	wattle, black olive-berry	Gippsland waratah, mountain paper, mother shield-fern, bat's-wing fern, ray water-fern, soft tree-fern
1b		lilly-pilly, kanuka	blackwood, black olive-berry	black-leaf, prickly currant-bush, purple grape, austral sarsaparilla, soft tree-fern
2a	OPEN FOREST IV taller than 40 metres	shining gum	alpine ash, brown-burrell	sassafras, blackwood, silver wattle, Gippsland waratah, mountain paper, mother shield-fern, bat's-wing fern, soft tree-fern
2b		mountain ash		silver wattle, haui pomanderis, black-leaf, Victorian christmas-bush, musk dairy-bush, soft tree-fern
2c		alpine ash	shining gum, mountain grey gum	silver wattle, Gippsland waratah, Victorian christmas-bush, forest star-wort, mother shield-fern, soft tree-fern
2d		brown burrell	mountain grey gum, messmate, shining gum	haui pomanderis, black-leaf, musk dairy-bush, austral sarsaparilla, soft tree-fern
2e		messmate, mountain grey gum	Gippsland blue gum, brown-burrell	sassafras, Gippsland waratah, black olive-berry, Victorian christmas-bush, haui pomanderis, mother shield-fern, soft tree-fern
3a	OPEN FOREST III 28-40 metres	messmate, mountain grey gum	Gippsland blue gum, yellow stringybark, river paperbark, narrow-leaf peppermint	blackwood, haui pomanderis, black-leaf, dwarf netter, common lagoonophore, fibrous water-fern, soft tree-fern
3b		narrow-leaf peppermint, broad-leaf peppermint, mountain grey gum	condohart, messmate	silver wattle, Gippsland waratah, haui bush, common lagoonophore, rasputnik, ly-leaf violet, nutral bracken
3c		silvertop		hardwood, blue gum, yellow-flower, blue damper, bush medford, rasputnik, fence board-bush, pink-bells, broad sword-leaf, austral bracken
3d		silvertop, white stringybark	brown stringybark, yellow stringybark, mountain grey gum	tasmanian wattle, black she-oak, batpila hakea, saw hakea, rasputnik, wedding bush, pink-bells, blue damper, broad sword-leaf, austral bracken
3e		red bloodwood, silvertop	yerohak, white stringybark, brown stringybark	tasmanian wattle, saw hakea, wedding bush, pink-bells, rasputnik, common haui, hardwood, blue gum, spiky-headed mat-rush, austral bracken
3f		coast grey box	bat-bat	black wattle, slender lagoonophore, common rice-flower, passwort, shiny violet, small grass-tree, spiky-headed mat-rush, kangaroo grass
4a	OPEN FOREST II 15-28 metres (may also be woodland)	broad-leaf peppermint, red stringybark	brittle gum, condohart	silver wattle, sharp board-bush, twin-flower, board-bush, daphne bush, common rasputnik, bush pink-bells, crowsy stick-bush
4b		red stringybark, red box, silvertop	white stringybark	hap bitter-pan, common rasputnik, prickly currant-bush, blue damper, haui pink-bells, shrubby platyran, spiky-headed mat-rush
4c		red bloodwood, broad-leaf apple	white stringybark, brown stringybark, yerohak	saw hakea, coast wattle, spiky wattle, common haui, wedding bush, papurk, tea-tree, rasputnik, austral grass-tree, spear grass-tree
4d		white sallow	spinning gum, condohart, broad-leaf peppermint	prickly starwort, mountain hickory wattle, alpine acyllum, gorge bitter-pan, mountain board-bush, everlasting, snow grass
5a	WOODLAND I-II less than 28 metres (may also be open forest)	white box	white box	twist-flower, board-bush, silver cress, tall bluebell, pink persimmon, blue damper, button everlasting, spiky-headed mat-rush
5b		black cypress pine	black cypress pine	twist-flower, board-bush, tall bluebell, shrubby persimmon, black wattle, kidney wood, kangaroo grass, rock-fern
5c		white box	red bloodwood, red box, brittle gum, white stringybark	hap bitter-pan, shrubby platyran, hairy pink-bells, trailing acyllum, common rice-flower, blue damper, button everlasting, spiky-headed mat-rush
5d		yerohak, red stringybark	brown stringybark, white stringybark, rough-barked apple	saw hakea, spiky wattle, common haui, wedding bush, rasputnik, smooth parrot-pan, pink-bells, spiky-headed mat-rush, small grass-tree, saw-fern
5e		coastal mahogany, brown stringybark	white stringybark, red bloodwood, silvertop	saw hakea, tasmanian wattle, wedding bush, shrubby platyran, rasputnik, blue damper, tree brown-bush, common haui, spiky-headed mat-rush
6a	HEATH	scrub she-oak, prickly tea-tree, slender twin-rush, swamp paperbark, zig-zag bog-rush		pink swamp-bush, coastal paperbark, blue damper, black-leaf bush, slender twin-rush, flat cord-rush, spreading rope-rush, austral grass-tree, spear grass-tree
6b		prickly tea-tree, slender twin-rush		pink swamp-bush, black-leaf bush, common haui, coastal paperbark, slender twin-rush, flat cord-rush, spreading rope-rush, austral grass-tree, spear grass-tree
6c		swamp paperbark, zig-zag bog-rush		prickly tea-tree, coastal paperbark
6d		scattered paperbark		very hoarse, common haui, prickly tea-tree, slender dodder-bush, spreading rope-rush, parrot lily
7		coast tea-tree	saw hakea, coast hakea	tree brown-bush, austral bracken
		giant honey-myrtle		common haui, bog goodenia, grey everlasting, coast tea-tree, tree brown-bush, common netter, spiky-headed mat-rush
		tall sedge, swamp club-rush		wing pennywort, water-milfoil, fireweed, Australian lilac, canella, straggled arrow-grass, jointed rush, tall spike-rush, common reed
		wetland tea-tree, coral haui	mountain swamp gum	myrtle tea-tree, swamp haui, mountain hakea, small-fruit hakea, wing pennywort, creeping rasputnik, spreading rope-rush, leafy flat sedge

Vegetation on small isolated blocks of public land has been severely disturbed, so these have not been mapped.

Redrawn from Vegetation maps prepared by Mr. D.B. Burdell, Forests Commission, Victoria.
